

PARTNERSHIP AGREEMENT BETWEEN

DIRECTORATE-GENERAL FOR ENERGY
OF THE EUROPEAN COMMISSION AND
Bratislava Self-governing Region

Covenant of Mayors in Bratislava Self-governing Region

THIS AGREEMENT IS MADE BETWEEN

The Directorate General for Energy of the European Commission (hereinafter DG ENER), at Rue de Mot 24, BE-1040 Brussels, Belgium represented by Klaus-Dieter Borchardt, Director for Internal Energy Market, and Bratislava Self-governing Region (hereinafter BSR), at Sabinovská 16, 820 05 Bratislava 25, Slovak Republic represented by Pavol Frešo, president of the Bratislava Self-governing Region.

WHEREAS

The European Commission launched in 2008 the Covenant of Mayors, open to cities and municipalities of all sizes in Europe, with the aim of involving local authorities and citizens in the development and implementation of the European Union energy policy. The Covenant consists of the commitment of the signatory cities to go beyond the EU objectives for reducing CO₂ emissions through energy efficiency measures, actions related to renewable energy sources and clean transport.

The European Commission recognises the entities acting as Covenant Territorial Coordinators as its main allies in conveying the message and increasing the impact of the Covenant. These Territorial Coordinators are defined as those public authorities that are in a position to provide strategic guidance and technical support to municipalities with the political will to sign up to the Covenant of Mayors, but lacking the skills and/or resources to meet its requirements, namely the preparation, adoption and implementation of the Sustainable Energy Action Plans.

The BSR has among its main purposes the cooperation with municipalities in developing their policies and management programmes.

The BSR has considered very positively the Covenant of Mayors and its potential results since its launch; it is for that reason that it has decided to strengthen the promotion of the Covenant of Mayors among municipalities of its area but also to reinforce its support to the municipalities who decide to formalise their commitment to the Covenant through a fruitful cooperation with all the other Covenant Coordinators operating within the territory of its competence. In order to achieve this, the BSR is willing to launch a specific program to support local councils to get the condition of accession to the Covenant of Mayors including, among other things, the preparation of Sustainable Energy Action Plans at Municipal level.

IT IS HEREBY AGREED AS FOLLOWS

I

The parties shall co-operate and work together on equal terms for their mutual benefit, towards the achievement of the objectives summarised herein.
